Gentlemen:

This refers to your letter dated December 13, 2005, regarding disclosure statements for elected officials.

James Rucker Leake, Jr.
Town Alderman
Town of St. Francisville La.

I am president of Leake Oil Company, Inc, a wholesale petroleum distributorship that has been in business since 1938. I own 48%, my wife, Susan F. Leake owns 1% and our son, James Rucker Leake III owns 51% of the stock. We are located at 7911 Highway 61, North, St. Francisville, LA. Our P. O. Box number is 458 and the zip code is 70775.

In the normal course of business we have sold diesel fuel to contractors working in New Orleans. We presently have tanks located around the City that we are delivering products to on a regular basis. Leake Oil Company has received over \$2,500 gross profit from these sales. These sales constitute a small percentage of our total sales for a given period, less than 5% at this time. Leake Oil Company does not have a direct contract or subcontract with a government agency. I do not know the amount of profit derived from our sales in the New Orleans area and I am not in a position to estimate how much we will sell in the coming months.

If you need additional information, please advise.

Sincerely,

James R Leake
President
